improving biosecurity, environment and food quality

September 8th - 12th 2019 - Wroclaw, POLAND

INSTRUCTION FOR ISAH2019 POSTERS

1. Posters should be printed in standard A0 size (84 cm X 119 cm) in vertical direction.
2. Please remember that the each poster will be located on the one poster board which is 90 cm wide, so it is important not to exceed this width.
3. At the top of poster, please provide the bold lettering title of the paper which should be in large letters that can be seen a long distance away. Under the title, please place names of the authors, and their affiliations which should be smaller letters than the title.
4. Poster should contains:
 - short introduction,
 - materials and methods,
 - results,
 - conclusions.
5. Use not more than 500 to 1,000 words (including title, figure legends and tables).
6. Text and illustrations should be readable from distances of at least one meter.
7. Remember to use only lightweight materials to print your poster.
8. Articles to mount materials will be available on site.
